Forecast For Wales
Issued by Met Office Exeter
at 1600 on Monday 03 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Remaining windy with locally heavy showers.

This Evening and Tonight:
Clearer conditions develop briefly through the evening followed by showers, locally heavy into the night, these turning wintry at times over the highest ground. Winds remaining strong through the night. Minimum temperature 2 deg C (36 deg F).

Tuesday:
Scattered showers locally heavy continue throughout the day, at times wintry over the highest ground and most frequent in the north. Feeling cold with winds gradually easing. Maximum temperature 11 deg C (52 deg F).

Outlook for Wednesday to Friday:
Sunny spells and showers, locally heavy on Wednesday. Cloudier on Thursday with the risk of rain in the south. Drier with sunny spells on Friday. Cold by day and night.
